

Our book hosts have spent the summer diligently selecting books for our 2nd season of *Rosh Pinah Readers*. They have created a blend of fiction and non-fiction, some of the authors having personal connections with our group members. As a matter of fact, we are expecting *at least 3 ZOOM-BOMBS* by our authors, which are so much fun, as we found out last season.

Let's be honest, with the SAG-AFTRA and WGA unions both striking, there won't be much tv entertainment, which means: **More Time To Read!** Always look for the silver lining! However, we all have busy lives, and likely can't attend every meeting. By providing the full calendar and, where possible, selections in advance, you can plan accordingly for the authors and topics that most appeal to you. Rosh Pinah is nothing if not flexible and accommodating! Please send an email to Robin (robinaltman05@gmail.com) or Pam (xword1@aol.com), so we know what your plans are.

All meetings will be held on Zoom, with the ZOOM ROOM opening at 7 PM for informal chat and catching up with our friends. The Program will begin **promptly at 7:30 and run until 9 PM.**

As you can see, February, April and July are still unscheduled. A summer meeting has been added for 2024 due to popular demand. If there's a book you love and want to share with us, please don't hesitate. It's rewarding to see how our friends react to the books we cherish. You will have plenty of support in finding resources for your discussion, even if a Reader's Guide is not available.

And lastly, don't forget to join our **private** Facebook Group, *Rosh Pinah Readers*.

Look for the group on FB, request to join, and you'll be approved within 48 hours.
